Mason Regional Park Pathway Improvements

Trail closures and detours necessary due to concrete pathway replacement at Mason Regional Park.

OC Public Works will perform pedestrian sidewalk improvements within the Wilderness Area at Mason Regional Park, east of Culver Drive. Trail closures and detours are necessary to complete this important work and maintain public safety.

WHAT

- Crews will be removing the existing pathways and replacing with concrete along 3 pathways between Bridge #4 and Bridge #5 at the locations shown below.
- Temporary fencing, gates and signage will be installed for the trail closures and detours.
- **Trail closures in effect at all times** are necessary to accommodate these important trail improvements.
- Intermittent closures may occur along the open areas to allow for passing construction vehicles.
- Pedestrians can use open, available trails to bypass the work areas.

WHEN

Anticipated Construction Duration

November 22 - 29, 2026

Working Days and Hours

Sunday - Sunday, 7 a.m. - 4 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.

Your safety is our top priority!

This is an active construction area. Please observe all trail closure signs, barriers, flaggers and project vehicles moving in and out of the work area.
